

News from the President

Helen Kashtan hkashtan@frontiernet.net

Wow.

What a great word. Simple. Expressive. Engaging. It can convey delight, surprise, shock, and so much more. Say it out loud, not just silently in your head. Out loud. Feel it?

I've been saying it quite a bit lately, especially for things related to Temple! For things that delight me, for things that surprise me.

Have you been attending Shabbat morning Torah study or services? Rabbi Smookler intersperses teachings throughout the service, and especially during her divrei Torah. Thought provoking, educational, creative. I find myself saying **WOW** at the end of her sermons.

Have you heard about our engaging programming? Nearly two dozen families and individuals participated in Guess Who's Coming to Shabbos?, organized by Linda Servetnik. Wonderful groups attend Rabbi's two Keeping it Current programs each month. Our children are active on Shabbat morning as

part of Banim on the Bimah. Oh, and Rabbi's new teen volunteering initiative -- /giv/ - had 30 teens attend the kick-off event.

WOW.

Have you heard about changes in our office? Susan Sawler has joined our staff and we welcome her! Melanie, who has worked with us for two years will be homeschooling her children and leaving our employ. We will miss her, and know that she is doing something so very important. **WOW**. Congrats to both for these next steps.

Have you heard about our collaboration efforts with Temple Beth El? Well, I hope so! We've moved from planning to plan, to the next phase. The start of this phase was to create four task forces looking at ritual, governance, finance and facilities. As I write this, the committees are having their initial meetings and discussions. Task forces, by nature, work on single or limited topics and are fast acting. Within just a few months, we hope to have the

basic concepts of what our Rochester Conservative Jewish future may look like and we hope to present this information to you formally in Summer 2014, and informally before then. **WOW**. I sit here and think about the new relationships that we have developed with our sister congregations, relationships based on a future of collaboration.

Most importantly, I want to say thank you to each and every one of you. Thank you for choosing to be a member of our Temple. While your dues and contributions are important and much appreciated, I thank you for making the choice to support our community with your spirit, energy and care. Just **WOW**.

L'shalom,

Helen

PS: If you haven't been here in a while, check these programs and services out. Maybe we can make you feel like saying **WOW**.

Temple Beth David & Temple Beth El are fully collaborating for Purim this year! Be sure to attend the Under the Sea Purim Carnival on March 16th! We are looking for VOLUNTEERS, if you are able to volunteer be sure to contact Rabbi Smookler or the Temple Office. See the flier on page 8 for more info!

From the Desk of the Rabbi

Rabbi Rachel Smookler

Rachel@smookler.com

(Continued from page 1)

Thanks to Barbara Grosh for undertaking the task of web developer, /giv/ will have an interactive website where teens can view and sign up for the monthly events. Their hours will be kept track of, in order that we can give out community service awards to the teens as they go through High School.

Finally, in order to truly make this a Mishkan experience, all members of Temple Beth David are encouraged to participate in /giv/. Whether you can help with attending and staffing the events, helping us find other non-profits to connect with or by simply getting the word out, this organization is truly a community-building experience.

“Lo alecha hamlacha ligmor, v’lo atah ben chorin l’hivatel mimena”

“You are not expected to complete the task, but neither are you free to avoid it.” Rabbi Tarfon, Pirkei Avot 2:21

From the Office

Melanie Stormm-David office@tbdrochester.org

Dear Congregants,

In the nearly two years that I’ve been your Office Manager, Temple has been as much a home and community to me as it has been a job I have thoroughly loved and enjoyed.

Working in the Office is a job that is very detail oriented, sometimes fast paced and comes with fun challenges and opportunities for creativity. What I have most loved is You and You have made that easy. From the time I started, I felt the support of the community for me to learn the many details included in serving at the hub of TBD activity.

Words cannot describe how much I have been touched by the strength, the love and the *ruach* of so many TBD members. You have been my teachers. I feel so honored to have had the opportunity to learn from you and be of service to TBD.

A couple months ago I received a phone call from someone who had once been a Temple member before a job change took them out of state. “Melanie,” they said, “I have been all over and there are wonderful Shuls out there, but there is no place like TBD. It remains special.” That statement says it all.

Susan Sawler has been hired to replace me just as I was once hired to replace Maria. It has been a joy to train with her the last couple weeks. I am confident she is an excellent fit for Temple and Temple’s changing needs. It will take her some time as it did for me to learn the many details that come with her job but I know that you will gift her with the wonderful patience, understanding, support and positivity that has so touched and aided me while I’ve worked here.

With love and gratitude,
-Melanie

Lisa Bogaert and Susan Raphael would like to wish Mazel Tov to Marvin Raphael! Celebrating 50 years at the United States Post Office and still going strong!

Mazel Tov to Rachel Snider on your B'nai Mitzvah!

Rachel Snider is excited to be finishing up 7th grade at Cosgrove Middle School, where she is a straight-A student. She lives in Spencerport along with her Mom and Dad, her brother, Jacob, and her puppy, Nuvi.

Rachel is a talented Baritone player for her school band and enjoys duets with her brother. She is a long-time skilled gymnast, but her true love is horses. She rides several times per week in Hilton

and competes in English Hunter and Jumping.

Rachel's dream is to become a Crime Scene Investigator or a Forensic Scientist. She is thrilled to become a Bat Mitzvah on April 5th and her parents are incredibly proud of all of her hard work. Rachel would love to have all of her old Hebrew School friends and temple families at TBD to celebrate with her -- we hope everyone can join us to celebrate her special day!

Mazel Tov, Rachel Snider!
