Hello Fellow Congregants and Friends of TBD!

Our patience has been rewarded. How joyous it is to be able to gather again on Shabbat morning. We are happy to be able

to offer a service on the first floor of TBK for those who have been looking forward to being with us but for whom our sanctuary is not accessible. Several congregants are providing transportation to services to those who would like a ride. Thanks to all the volunteers for showing your caring to your fellow congregants. And not only our religious services but also our 4th Annual Joint Golf Outing brought us together. The Golf Outing took place in Mendon with congregants and their guests not only from our synagogue but also from Temple Beth El.

There is more to come as we look forward to High Holy Day services. They will take place both at Temple Sinai and in our own sanctuary as in recent past years. Ellen Brandwein has again graciously agreed to be our cantor. We are also working on providing live stream for services and events in our sanctuary. Our goal is to have that up and running by the end of August. We are also looking ahead at when and how we can safely return to offering kiddush again.

For now, the two guidelines that we are choosing to follow when in the building are

that we must all be fully vaccinated and we must all wear masks at all times. At the time of this article there is a lot of information available about the risks of breakthrough infections for those that are fully vaccinated. We want to lessen the risk of people getting sick as much as we can while still being together. We are choosing to be cautious at this time. We will continue to work diligently to provide the best of what is possible given the current situation.

We are all in this together and it is a great time and an important time to get involved and engaged in our community. I encourage all of you, congregants and friends of Temple Beth David, to reach out with questions and concerns and open minds.
