Updates From the Office

office@tbdrochester.org

We are excited to provide updates to office operations. Please contact the office if you have any questions.

- As previously mentioned, we are updating our office software. This process will take several months as we “clean up” existing data and transfer and test data in the new software. *ShulCloud* offers more tools for office operations, as well as provides you access to your member account. You will be able to register for programs, make donations, pay dues, and access yahrzeit information.
- *ShulCloud* offers multi-factor authentication and other tools for data security.
