### IMPORTANT NOTICE

With this issue of **The Bulletin**, we begin publishing it alternating months. The next issue will be published for February/March. Why?

Most of our members receive the Weekly News email which contains up-to-date information for religious services, kiddushim, events and other congregational news. **The Bulletin** contains additional information, such as donations and yahrzeits and will continue to do so.

Members who don't receive the email can sign up for it by contacting the Temple Office. Or, we can make other arrangements for members to receive a copy of the Weekly News.

---

**The mission of Temple Beth David** is to provide an environment where the concepts of community prayer, education, and service to the greater Jewish community are provided within the context of Conservative Judaism. We take pride in being a friendly, participatory, egalitarian community, welcoming all to be a part of our synagogue family.
